Education & Experience

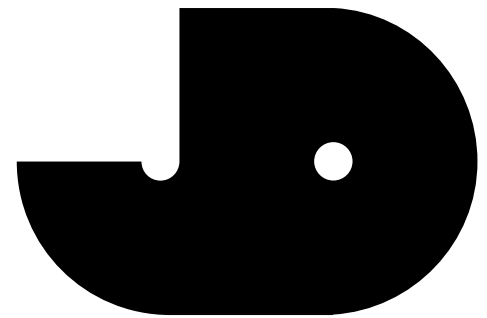

What I've been up to

University of Worcester (2008-2011)
Digital Arts Centre
BA (Hons) Creative Digital Media
Upper Second Class (2:1)

Solihull College (2006-2008)
School of Visual & Performing Arts
National Diploma Graphic Design

Woodrush High School (2000-2005)
11 GCSEs Including Graphic Products

I have completed Freelance work for companies and clients in my local area which has given me a better awareness of how to communicate with real world clients but I'm yet to experience a live studio. College and University has given me essential development process, live brief and deadline experience that I can apply to future projects.
